**The School & Community**

Founded in 1977, Santa Fe Christian Schools is a coeducational independent college preparatory day school located within the highly competitive San Dieguito School District. The school is comprised of a Lower, Middle, and Upper School which serves 1,008 students in Kindergarten through 12th grade from the coastal areas of northern San Diego. There are 446 students enrolled in the Upper School. The school offers \$1.9 million in tuition assistance to approximately 26% of our students annually. Over 98% of Santa Fe Christian's teaching faculty have advanced degrees, teaching credentials or both. Our teaching faculty have an average tenure of 10 years.

**Student Commitment**

Students seeking admission are evaluated on past academic achievement (as indicated in transcripts from the applicant's previous school and by letters of recommendation); ability (as evidenced by standardized achievement tests); and a personal interview with the applicant and his or her parents. Applicants must score average, or above average, on the ISEE and show themselves to be an independent learner with the ability to be successful in a traditional classroom environment. Christian faith and strong character must be evidenced.

**Discipline Reporting Policy** Santa Fe Christian Schools recognizes high school as a time for personal maturity and spiritual growth where students may make mistakes. As a private, Christian school with high standards for student conduct and behavior, students who are engaged in severe or repeated discipline issues are unable to graduate from SFCS. If a student has graduated from SFCS, his or her behavior is considered to be in good standing and without deficiency; any discipline related issues were resolved through corrective actions. Serious, severe, or repeated discipline issues result in dismissal from, or exclusion from reenrolling at SFCS. It is therefore the practice of SFCS that discipline records are not to be reported to colleges and universities. Administration reserves the right to allow reporting to colleges and universities for specific circumstances or when necessary.
